

SO MANY Americans have adopted the custom of selecting their wedding gifts at Ovington's that the very delivery records read like a calendar of New York's smartest weddings. The punctilio of weddings does not demand that the bride's choicest gifts come from Ovington's, but custom seems to have decreed it.

OVINGTON'S

"The Gift Shop of Fifth Avenue"

FIFTH AVENUE AT 39TH STREET

A Size for Every Family from Two to Twenty

Any cooking requirement can be met—any kitchen space can be fitted—by one or another of these remarkable ranges.

VULCAN SMOOTHTOP COMPACT CABINET GAS RANGE

And each possesses all the distinctive characteristics that have made the Vulcan Smoothtop the choice of women who demand the best that the gas range market affords.

One burner does the work of two or more. Every foot of gas can be made to do more work. Naturally economical if used to its full advantage.

Easy to keep clean. Grease does not reach burners. Vessels do not tip. The new comfort height prevents stooping.

Good looking. Finely finished. Durably made. Sanitary construction.

Oven heat regulator, if desired. Elevated warming closets—glass door. Four sizes.

Write for Booklet. See the Range at

At Last You Can Have Home Motion Pictures as Low as \$3.00 a Week

There can be no more enthralling, heart-gripping, laughter-provoking entertainment than showing motion pictures in your own home. They appeal to the interest of every member of the family, from baby to grandmother.

The New Premier Pathscope has long been found in the homes of the wealthy—the "Rolls-Royce" of home entertainers.

Now we have completed arrangements that enable *everyone* to have his own motion pictures and to view, in his own home, the treasures to be found in the thousands of reels that compose the great Pathscope Film

Library—the world's best Dramas, Comedies, Animated Cartoons, Scientific, Educational and Travel pictures.

You can now purchase from us motion picture projectors for from \$35 up, on easy terms, or rent them with privilege of purchase.

These projectors and films are absolutely safe for home use. Every picture is made on "Safety Standard," narrow-width film. Each film and projector bears the Approval Seal of the Underwriters' Laboratories, Inc., permitting it to be used without a fireproof booth by anyone, any time, anywhere.

Come to any Pathscope Salon—select your own pictures and put them on the screen yourself. No obligation, but you must act quickly before the limited supply of these machines is exhausted.
